Sewell, who supervised the collection and crating of hundreds of magazines to be sent abroad, watches as Bill David (with hand truck) and George Perry of Torrance Van and Storage Co. move the crates out on their way to the harbor. ### Magazines Sent To Philippines

One hundred cartons of current magazines — weighing 5000 pounds and containing 8000 issues—were shipped by Casimir School PTA last week

to the American Embassy in Manila, Philippine Islands, as a contribution to the United States Information Service Friendship Project.

### Rebirth to Be Discussed By Dr. R. Murray Jones

"We Can Have New Birth Which Brings New Life" is the topic to be discussed by Dr. R. Murray Jones Sunday at 11 a.m. at the First Presbyterian Church of Gardena, 1957 Redondo Beach Blvd. Church School will be held preceding services at 1842 Gardena Blvd. at 9:20 a.m.

Purpose of the project is to acquaint residents of other countries with the American way of life by showing them a cross-section of our nation's magazines. Upon their arrival in the Philippines, they will be distributed to libraries, schools, military groups, and border outposts selected by the government Information Service.

A major portion of the shipment was picked up by Torrance Van Lines from the residence of C. E. Sewell, 16506 Spinning Ave., chairman of the project.

The second annual mother-daughter banquet will be held in the new church at 6:30 p.m. tomorrow.
